

## What's your priority?

Please take one...

...and take another for a friend or family member.

Kids and family? Career and income? Whatever you cherish most, if you're in the grip of an addiction to alcohol or drugs, you may have discovered already that the costs can be much, much higher than the price of a drink or a hit. You can lose the things you love. ¶ LifeRing is a self-help support group for people in recovery. We make sobriety the priority in everything we do. We meet once a week to talk about the "nuts and bolts" of sober living. We applaud each other for the stuff that's going right, and troubleshoot the stuff that's been going wrong. We provide a supportive environment in which each member can develop his or her own optimum recovery program. ¶ We meet at 7 p.m. on Fridays at the Unitarian Church in Charleston, 4 Archdale Street. ¶ Visit <http://liferingsc.info> or call (843) 277-0948 and ask for Matt. ¶ Join us, and make sobriety your priority.
